Looking for...

... professional workwear suitable for industries such as construction, warehouse/ logistics, infrastructure, ...?

- general workwear
- medium risk & high-visibility

Discover the collections in the SYNQ workwear catalogue.

... multinorm protective clothing for high-risk environments, requiring FR-AST, ARC and/or chemical protection?

- multinorm protective clothing
- multinorm medium risk & high-visibility

Discover the collections in the Sioen Pro catalogue.

Meet Sioen

Sioen is the name and quality label of the world-renowned textile solution provider. Sioen develops, produces and distributes a wide variety of products within the world of technical textiles: yarns, fibres, colouring solutions, wovens and nonwovens, coated fabrics and protective clothing. Technical superiority is what binds all divisions.

With permanent investments in state-of-the-art machinery, innovation and talent, Sioen continuously lifts its products to new heights.

Sioen's solutions

Find out more about **Sioen Industries** and its 3 divisions on sioen.com

Protective clothing

Offering unrivalled expertise in professional protective clothing, which can shield you from any risk.

Technical textiles

Creating technical textiles designed for specific tasks across various markets like transport, industry & construction.

Colouring solutions

Creating custom and standard colouring solutions, including high-quality pigment dispersions, inks & varnishes.

The Sioen Apparel ‘House of brands’

Since the 1960s, the Sioen Apparel house of brands, part of the internationally renowned Sioen Group, has built a strong reputation in the protective clothing industry, providing solutions for professionals across the globe.

From firefighters and rescue workers to windfarm operators, chainsaw users and workers in high-risk environments: our group offers reliable solutions for every job and every risk. This makes Sioen Apparel a true **one-stop shop for professional protective apparel.**

Wash & care

Below, you can find an overview of all laundry symbols we use in our Sioen clothing.
Please always check the care label inside your garment. Depending on the fabric used, you'll find different instructions.

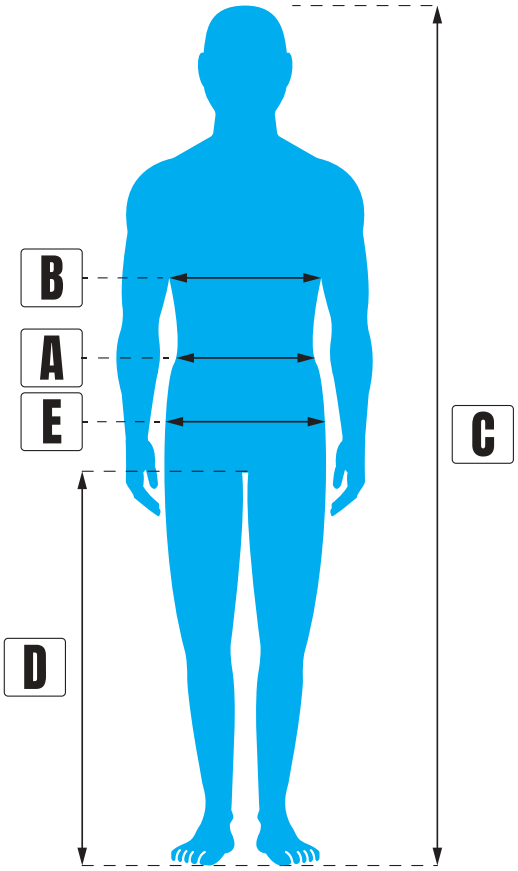

60	Normal washing at advised temperature
60	Max. at the advised temperature / reduced mechanical action / rinsing at decreasing temperature (cooling down) / reduced spinning
	Hand wash only / no machine wash / max. 40° / handle with care
	Do not wash
	Do not use chlorine-based bleach
	Tumble drying / normal cycle
	Tumble drying / lower cycle
	Do not tumble dry
A	All solvents normally used

P	All solvents except trichlorethylene
F	Only petroleum solvents and R113
P F	Limited movements
	Do not dry clean
	High max. 200°C
	Max. 150°C
	Low max. 110°C steam-ironing may be risky
	Do not iron / no steam treatments

Size table

How to choose the right size?

1	Take your body measurements according to the picture	
2	A: Waist	Measurement horizontally around the waist
	B: Chest	Measurement horizontally under the arms, around the widest part of the chest.
	C: Total body length	Measurement from top of the head to the ground, to be measured without shoes.
	D: Inside leg length	Measurement from the crotch of the trousers to the ground, to be measured without shoes.
3	All measurements in the table are body measurements. We recommend that measurements are taken while wearing light clothing, do not measure too tightly.	
4	Find the correct size which corresponds with the body measurements in the table.	
5	If you would require a size which deviates from the sizes mentioned in the table, we are happy to manufacture such a garment according to your specific body measurements.	

WOMEN - TOPWEAR
